

"Everything sounds better with a wee bit o' skank" -Joel

THE TAHOES ARE HELLA NORCAL. AND THEY LIKE IT THAT WAY.

For almost 5 years **The Tahoes** have traversed Northern California, from San Jose to Mendocino, bringing their unique brand of reggae-rock to hella stoked audiences everywhere. Comprised of former members of *The Conspiracy*, *Biting The Dog*, *Tin Circus* and *Fallout*, **The Tahoes'** fun-filled sets of skanktastic grooves are roughly 70/40 originals/covers. (That's 110% percent!) They've played for huge crowds at the Sonoma County Fair, the Booneville Beer Festival, The Sonoma County Harvest fair and recently opened for national touring artists *The Mad Caddies*, *Fishbone* and *The Aggrolites*. The Tahoes bring the energy with original hits like I Need You, Acorn, Break Out, Sparkle On, 4:20 and the crowd's favorite anthem, Hella NorCal.

The Tahoes are Glenn Sauber [Lead Vocals], Joshua Bluegreen-Cripps [Trumpet], Darren Thompson [Vocals, Guitar], Joel Giesecker [Bass], & Micah Stoufer [Drums]
