Hello Everyone!

This season we are particularly inspired by the African proverb, "It takes a Village to Raise a Child," reminding us that children need the adults in their community to cooperate and support one another, keeping the children's well-being and their successful future a top priority.

Inspired by this theme, ATFC is offering 3 fantastic FREE theater opportunities for children right now:

Turn in your short Audition videos by Friday, Sept. 11th! It’s easy!

It doesn't have to be perfect, we just need to see the actors acting for a few moments to help us cast the shows.

Actors can be filmed on a smart phone by a parent or friend.
