## TOP STORIES

### State of Arts Education 2023

"Students desire connection and they want to be seen, heard and valued."

**An Urgent Message Was Heard Throughout State of Arts Education...**

Full of inspiring presenters and incredible performers, the message is clear. Every student needs access to arts education. The arts change and save lives, provide trusted connection with adults, allow students to find their community and identity, and motivate students to want to attend school and excel!
